

Activating the 1MP Smartphone or Hotspot

Activating the 1MP Devices

1. Collect the signed Parent Consent form. *(Devices are not to be provided without a signed parent consent form!)*
2. Log into the Sprint Prepaid Sales Portal at sales.prepaid.sprint.com.
3. In the **Sign In** screen, enter your username and password.

Welcome to the Sprint Prepaid Sales Portal.

Your location for all things Boost Mobile. From Activation, to the latest news and training documents, it's all here.

A screenshot of the "SIGN IN" screen from the Sprint Prepaid Sales Portal. The screen has a light grey background. At the top, the text "SIGN IN" is displayed in bold black letters. Below this, there are two input fields: "Username:" followed by a white rectangular box with a red border, and "Password:" followed by another white rectangular box with a red border. To the right of the password field is a blue link that says "Forgot your password?". At the bottom of the form is a dark blue button with the text "SIGN IN" in white capital letters.

NEXT

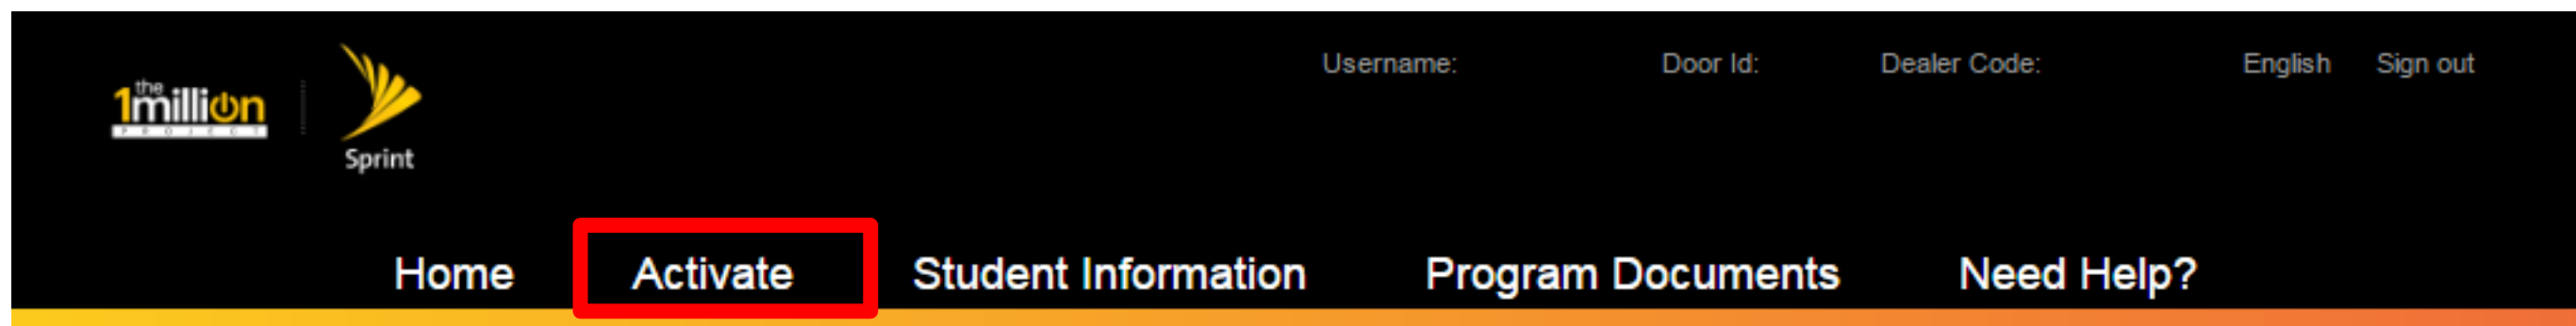

Activating the 1MP Devices

4. Click on **ACTIVATE**

The screenshot shows a website dashboard with a dark header. On the left, there are logos for 'the 1million PROJECT', 'Sprint', and 'Sprint Prepaid'. On the right, there are fields for 'Username:', 'Door Id:', and 'Dealer Code:', along with 'Español' and 'Sign out' links. Below the header is a navigation menu with the following items: 'Home', 'Activate' (highlighted with a red box), 'Student Information', 'Program Documents', and 'Need Help?'. Below the navigation menu is a section titled 'ALERTS & NEWS' with a sub-link for 'HIGH ALERTS'.

Activating the 1MP Devices

5. Check the box confirming that the parent consent form has been collected.
6. Check **Yes** confirming that student doesn't have internet access.

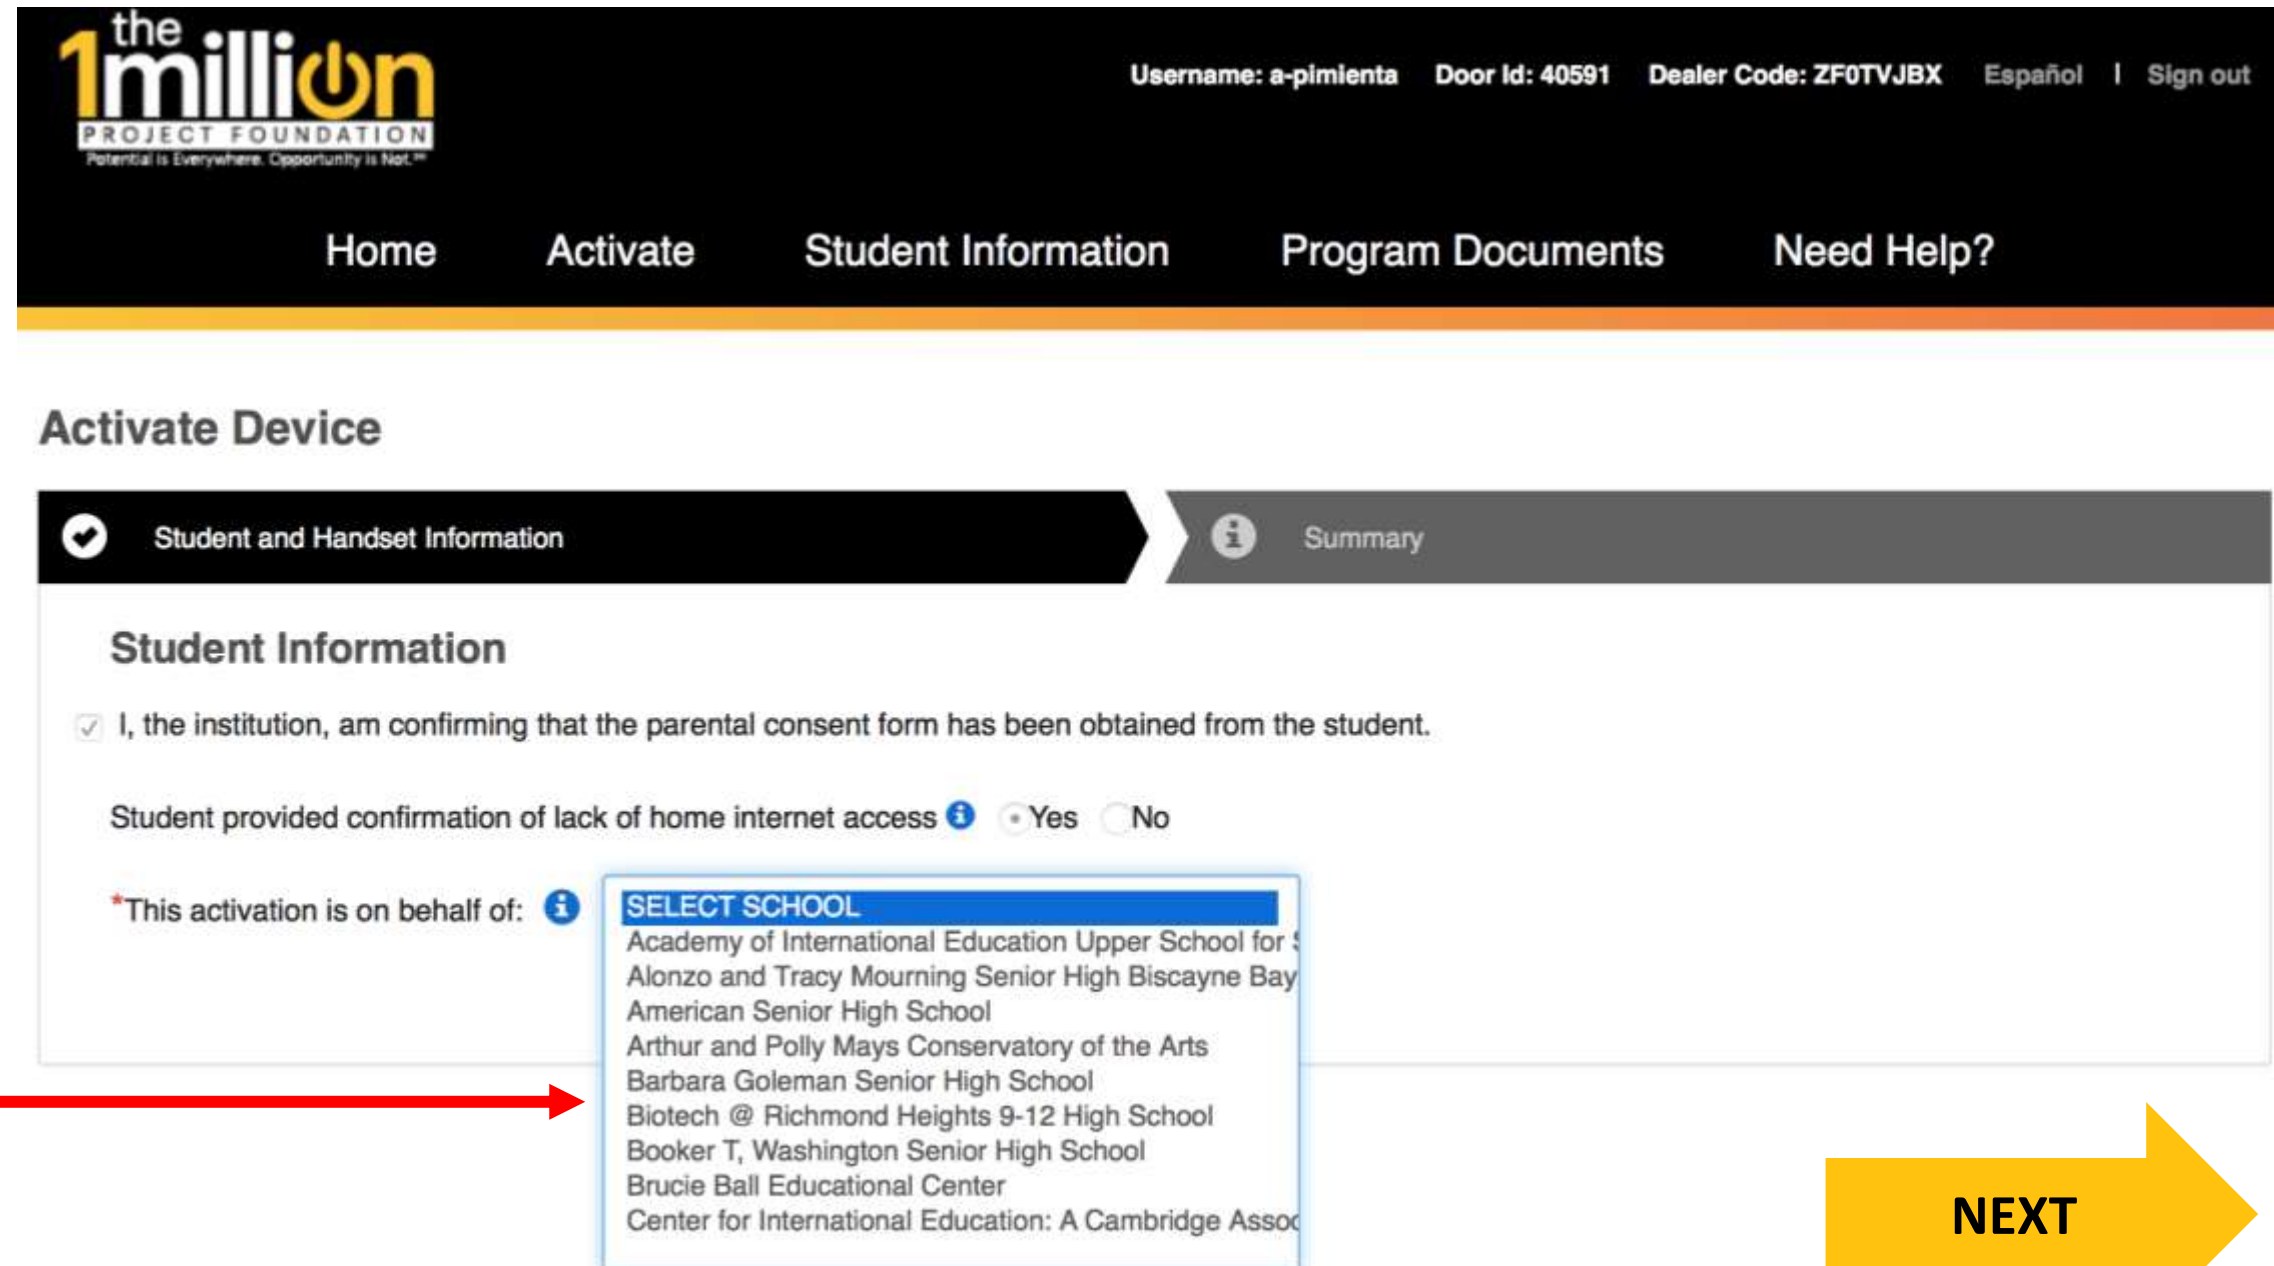

Activate Device

A screenshot of the 'Activate Device' form. The form has a dark header with 'Student and Handset Information' and 'Summary'. Below the header, the title 'Student Information' is displayed. There are two main sections: the first contains a checkbox (highlighted with a red box) and the text 'I, the institution, am confirming that the parental consent form has been obtained from the student.'; the second contains the text 'Student provided confirmation of lack of home internet access' followed by an information icon and two radio buttons, 'Yes' (highlighted with a red box) and 'No'. A large yellow arrow labeled 'NEXT' is positioned to the right of the form.

Activating the 1MP Devices

7. Click on **Select School** and drop down menu will appear. Select your school.

The screenshot shows the 'Activate Device' page with a navigation bar at the top containing 'Home', 'Activate', 'Student Information', 'Program Documents', and 'Need Help?'. The page title is 'Activate Device'. Below the title are two tabs: 'Student and Handset Information' (active) and 'Summary'. The 'Student Information' section contains a checked checkbox for parental consent, a radio button for internet access (set to 'Yes'), and a dropdown menu for school selection. The dropdown menu is open, showing a list of schools with 'SELECT SCHOOL' at the top. A red arrow points from the text on the left to the dropdown menu.

Note: Students should be provided the toll-free Customer Care number in case they run into an issue with the phone.

Activating the 1MP Devices

Don't Forget!

1. If students received a smartphone, give students the instructions for turning the phone into a hotspot for their particular device. Instructions are located at <http://digital.dadeschools.net/sprint.asp>.
2. Unlike mobile devices, it is not necessary for phones to be turned on at the school. Once you activate the student's phone, the student should take the phone home and turn it on. The device may need to be charged. The student should follow the prompts on the device to finish the activation process.
