Digital Citizenship Student Instruction Required for School Certification

How much digital citizenship instructional time is required?

You have two options to meet the **MINIMUM** number of instructional hours and grades taught. Using [Common Sense digital citizenship resources](#),

- 1) In two grade levels, teach three hours, 45 minutes of digital citizenship instruction, OR
- 2) In three grade levels, teach 2 hours, 15 minutes of digital citizenship instruction.

Note that these are the minimum requirements for both the number of grades taught and the instructional hours. In order to have the biggest impact on the most students, we encourage schools to do more. For example, in a K-5 school, they could teach digital citizenship for a total of three hours, 45 minutes in all six grade levels, which is the equivalent to five lessons from our K-12 Digital Citizenship Curriculum.

You can use any combination of the below Common Sense digital citizenship resources to provide the instruction:

- **K-12 Digital Citizenship Curriculum**
- **Digital Passport**
- **Digital Compass**
- **Digital Bytes**

Follow the appropriate table below in order to understand how many lessons (or modules, story lines, or bytes — depending on the resource) are equivalent to the instructional hours required to meet the criteria.

Two Grade Levels

Resources

K-12 Curriculum	Minimum hours of instruction: 3 hours, 45 minutes	Equivalent number of lessons: 5 lessons
Digital Passport	Minimum hours of instruction: 3 hours, 45 minutes	Equivalent number of modules: 5 modules
Digital Compass	Minimum hours of instruction: 3 hours, 45 minutes	Equivalent number of story lines: 5 story lines
Digital Bytes	Minimum hours of instruction: 3 hours, 45 minutes	Equivalent number of bytes: 2 “bytes”

Three Grade Levels

Resources

K-12 Curriculum	Minimum hours of instruction: 2 hours, 15 minutes	Equivalent number of lessons: 3 lessons
Digital Passport	Minimum hours of instruction: 2 hours, 15 minutes	Equivalent number of modules: 3 modules
Digital Compass	Minimum hours of instruction: 2 hours, 15 minutes	Equivalent number of story lines: 3 story lines
Digital Bytes	Minimum hours of instruction: 2 hours, 15 minutes	Equivalent number of bytes: 1 “bytes”

Certified School Checklist

Use this checklist to help your school meet the requirements to become a Common Sense Digital Citizenship

PLAN

- Identify a project lead for the school.
- Register on [Common Sense Education](#) to get familiar with the digital citizenship resources.
- Form a project team with key stakeholders (teachers, students, parents/caregivers, administrators), if appropriate.
- Create your school's digital citizenship vision.
- Determine how, when, and who will provide digital citizenship instruction to students. Consider the following:
 - In which grades instruction will occur (a minimum of two is required)
 - Which [Common Sense resources](#) will be used, and on which platforms (e.g., app vs. Web-based)
 - How many hours of instruction will be taught? At a minimum:
 - In two grade levels, teach three hours, 45 minutes of digital citizenship instruction, OR in three grade levels, teach 2 hours, 15 minutes of digital citizenship instruction. All students in the chosen grades must receive instruction.
 - Which teachers will be responsible for the instruction
 - When the instruction will occur
- Develop the school's parent outreach plan to engage and educate parents using the [Connecting Families Program](#) in three distinct ways.
- Once your parent outreach and student instructional plans have been finalized, input them on the [Digital Citizenship Certified School Implementation Plan](#), which you will ultimately need to submit as part of your application.

PREPARE

- Introduce [Common Sense Education](#) and what you're doing in your school to your principal, and encourage him or her to roll out a school-wide digital citizenship program.
- Request that all educators register with [Common Sense Education](#).
- Communicate your school's commitment to digital citizenship to your parent body, staff, and students.
- Share a link to [Common Sense Education](#) on your school website (or equivalent notice board if your school doesn't have a website).

IMPLEMENT

- Implement your parent outreach and student instructional plans.
- For new applicants only**, save at least three pieces of documentation to submit with your Common Sense Certified School application.

APPLY

- Apply to become a [Digital Citizenship Certified School](#). As part of the application, you will need to submit:
 - The [Digital Citizenship Certified School Implementation Plan](#) (new applicants only).
 - The Digital Citizenship Teacher Worksheet (optional). Educators in schools applying to become Common Sense Certified do not need to submit a separate application. The Project Lead can submit the information on their behalf using the Teacher Worksheet.
 - Three pieces of documentation (new applicants only).

CELEBRATE (Optional)

- Join our Facebook community @CommonSenseEducators to connect with other educators, share best practices, and be part of a growing professional learning network!
- Display your Common Sense Certified School badge on your school website.
- Tweet using @CommonSenseEdu #digcitcertified to share your work with your followers.
- Let your local press know of your Common Sense Certified School status.

Parent Out Reach

What are some ways to engage parents?

Schools are required to take a whole-community approach to digital citizenship by communicating with families about and educating them on digital citizenship. You must do this in three distinct ways.

One of these efforts must be the distribution of at least one Common Sense [Family Tip Sheet](#) or the [Family Media Agreement](#) to all parents/caregivers.

You must also implement two additional efforts. Examples include but are not limited to:

- Hosting a school-wide parent education evening with a [teen panel](#) with materials, ideas, and best practices from the [Connecting Families program](#).
- Training Title 1 coordinators and/or PTA/PTO leaders to facilitate ongoing family engagement activities, such as [informal discussion groups](#) using [Connecting Families resources](#).
- Publishing an article about the importance of digital citizenship in the school newsletter.
- Posting a link to [Common Sense Media](#) on the school website.
- Embedding the Common Sense parent advice blog widget onto the school website.
- Give your parents easy access to advice on parenting in the digital age by adding our [Making Sense blog widget](#) for families to your school's site.

Application

The Digital Citizenship New School Application requires various pieces of documentation. What should I plan to submit?

- [Digital Citizenship Certified School Implementation Plan](#)
- [Digital Citizenship Teacher Worksheet](#), if applicable

• At least three of the following examples:

- Photos of students (Media Releases Required) engaging in lessons or interactive activities in which it's clear that Common Sense resources are being used.
- A lesson plan or course syllabus including mention of and/or links to Common Sense resources.
- A sample of student work in which concepts learned from Common Sense resources are evident.
- A screenshot of, or a link to, your teacher website showing a link to Common Sense and/or a description of work you're doing with students.
- A screenshot of your Digital Passport Student Group Summary or Student Group Overview.
- An email sent to your principal letting him or her know about your efforts around digital citizenship.
- A screenshot of a student's Digital Compass assessment.
- A sample from Digital Bytes.

How do I apply?
