	Free Disk Space* :250 MB		Free Disk Space* :250 MB	

(B) APP INSTALLATION PROCESS

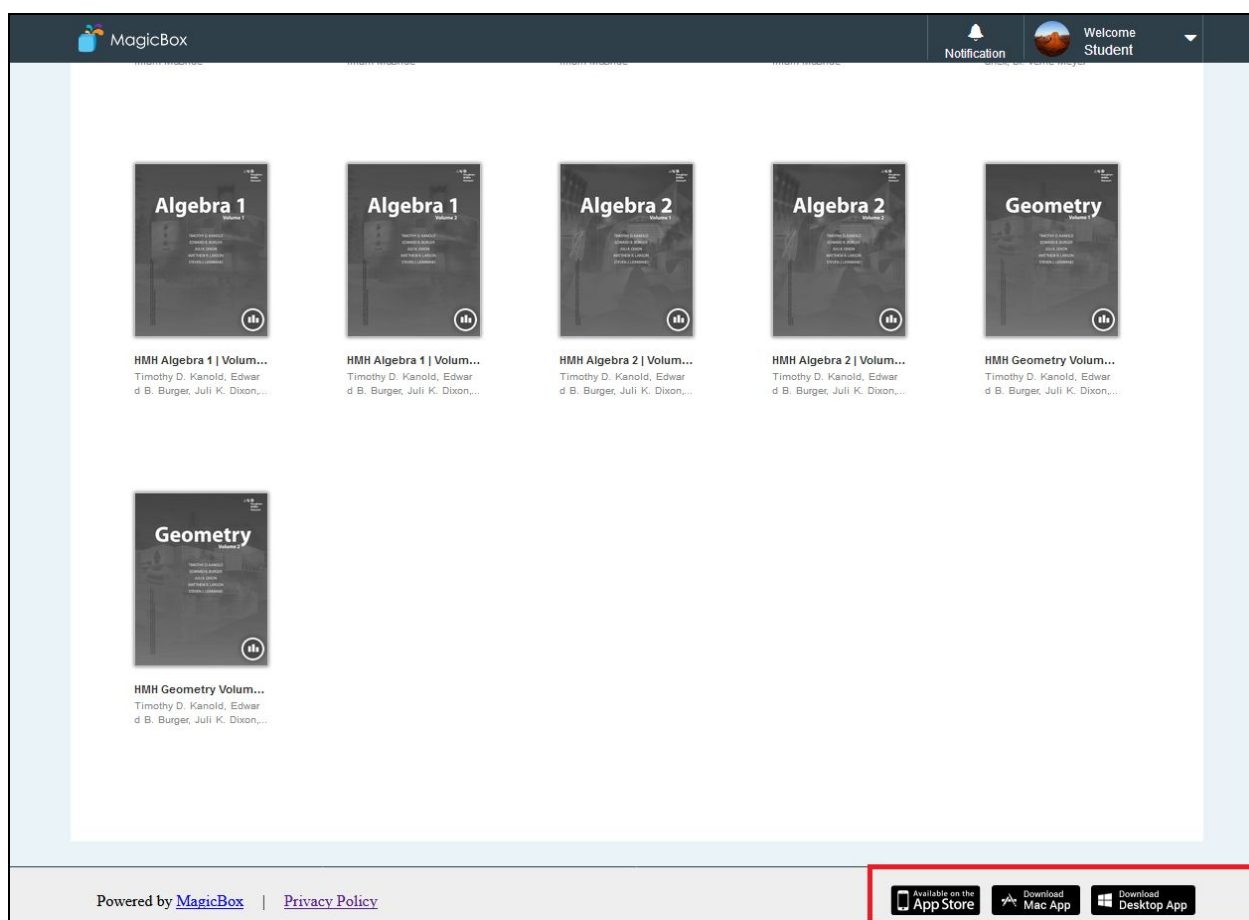

Step 1: Download Windows App Installer

Option 1: Through Direct Link

- Click the below URL in recommended browser (Chrome, Firefox).
- <http://s3.amazonaws.com/prd.stcn.study.prd.getmagicbox.com/static/magicbox/desktopApp/Setup.msi>
- The application setup file will get downloaded automatically.

Option 2: Through MagicBox Study Web Portal

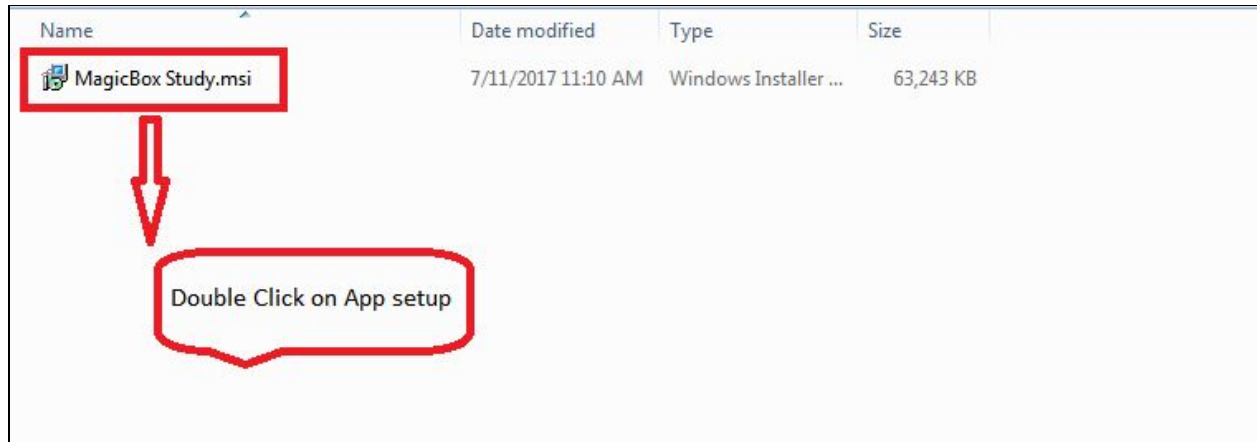

- Go to the MagicBox Study Web Portal: <https://study.getmagicbox.com> and login with your valid Clever credentials.
- After login you will see the below screen with application footer link:

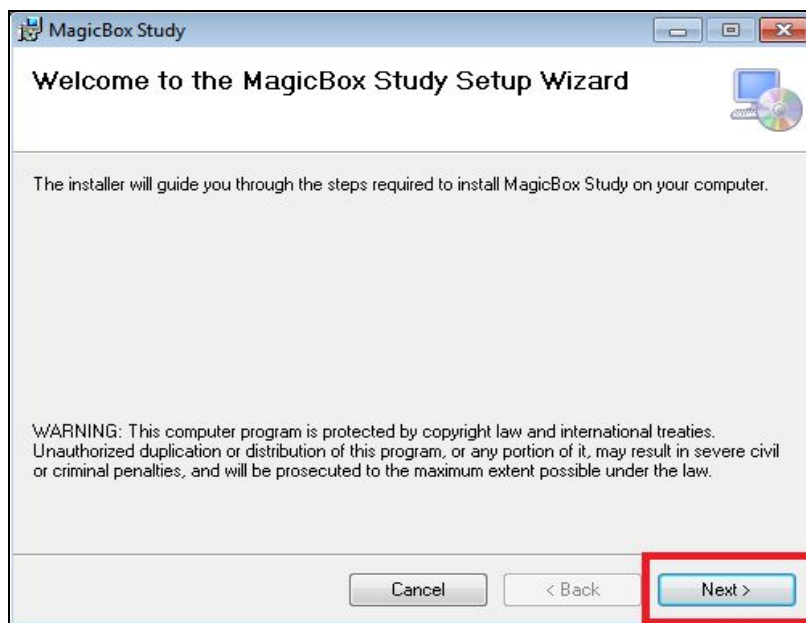

The screenshot displays the MagicBox Study Web Portal interface. At the top, there is a navigation bar with the MagicBox logo, a notification bell, and a user profile labeled 'Welcome Student'. The main content area features a grid of five textbook covers: three for Algebra 1 and two for Algebra 2, with a Geometry cover below them. Each cover includes the title and authors' names. The footer of the page contains the text 'Powered by MagicBox | Privacy Policy' and three application download buttons: 'Available on the App Store', 'Download Mac App', and 'Download Desktop App'. The 'Download Desktop App' button is highlighted with a red border.

- Click on Desktop app icon on footer.
- The application setup file will get downloaded automatically.

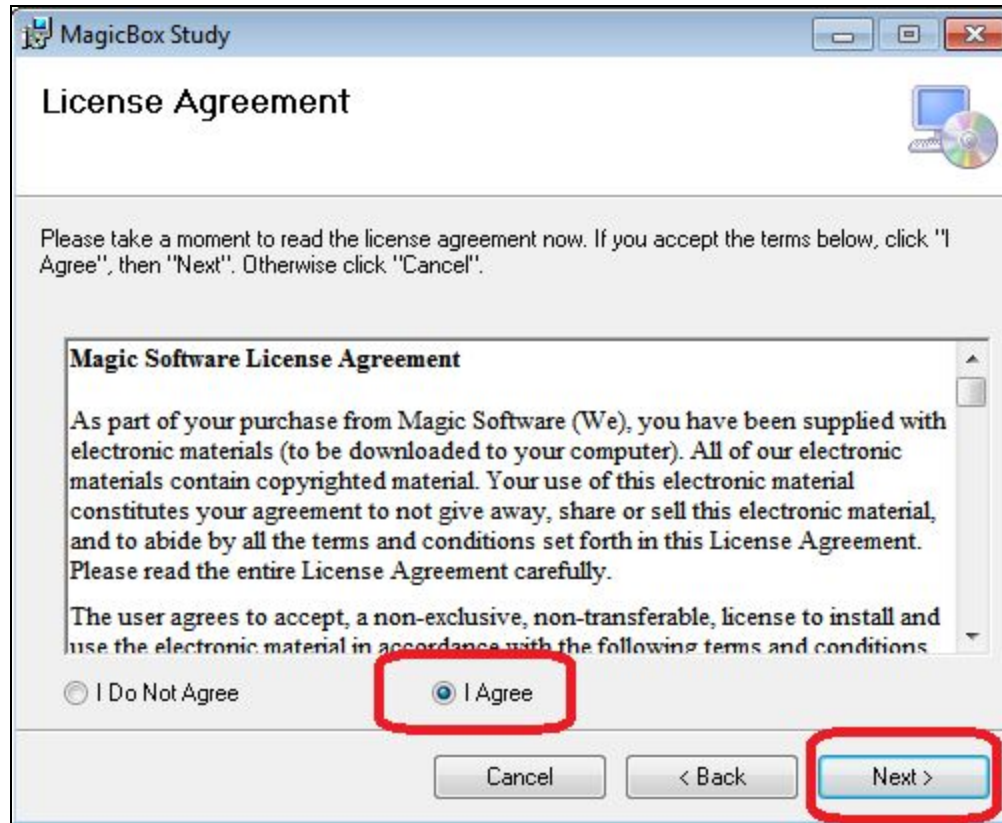

Step 2: Double click the installer (.msi file) and follow the on-screen instructions to complete the installation.

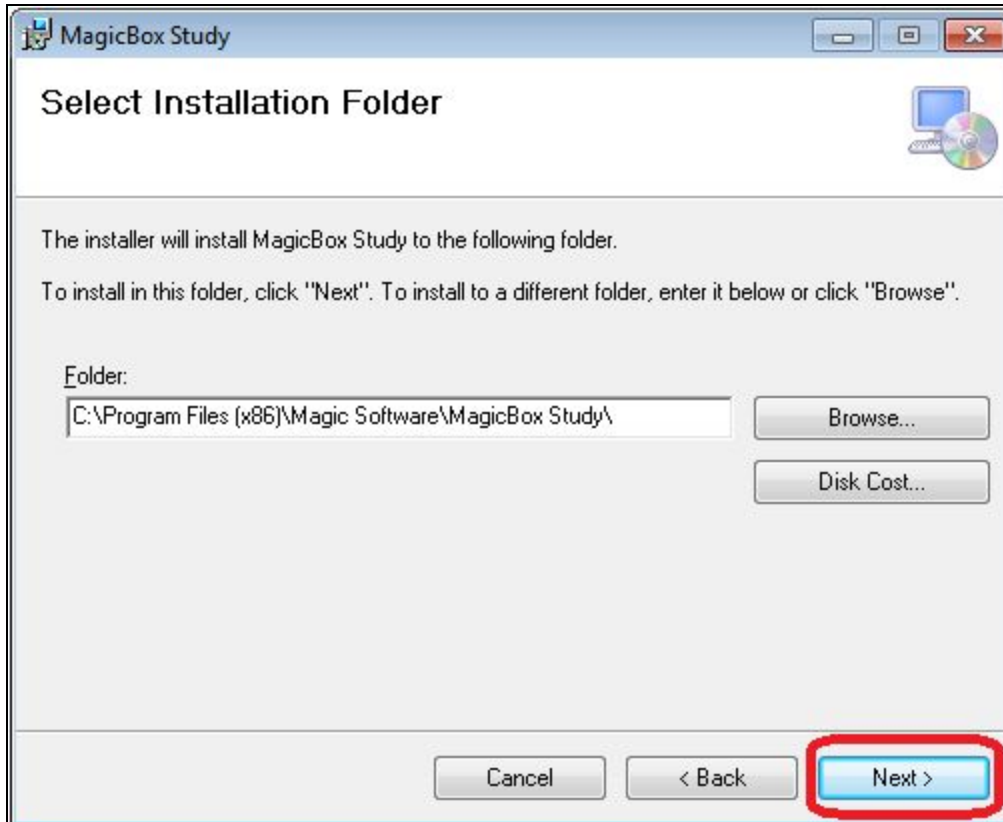

Double click will take you to the installation process. You will see the below screen.

Click on **Next** will take you to the below screen.

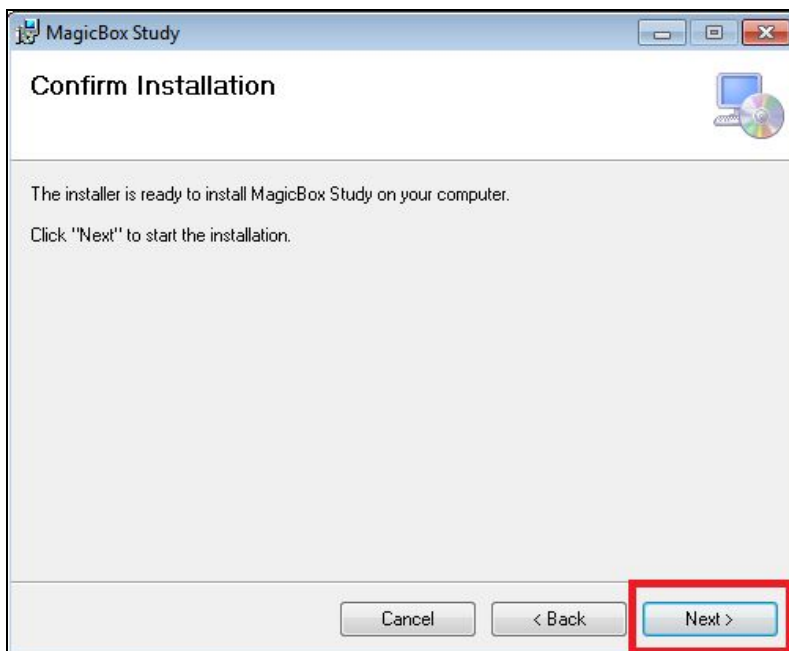

Accept the **License Agreement** by selecting the **I Agree** radio button, then click on the **Next** button to proceed further. You will see the below screen.

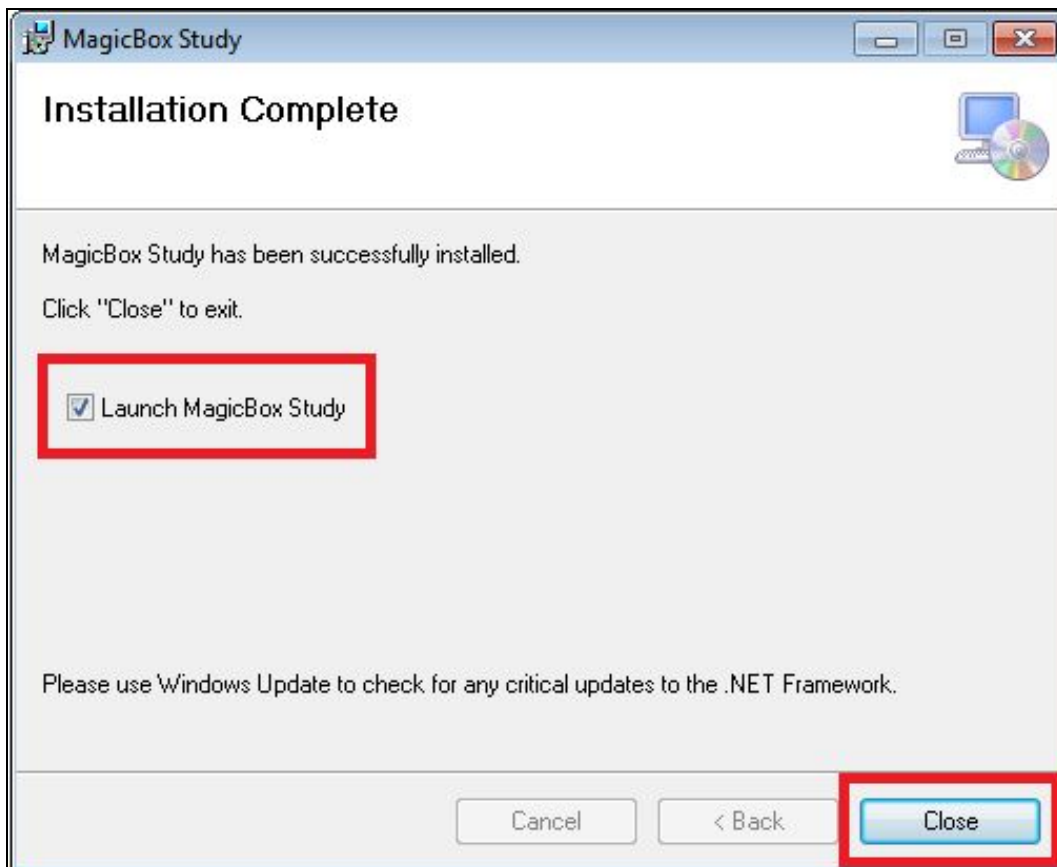

Select the folder by clicking on the **Browse..** Button.

Click on the **Next** will take you to the below screen.

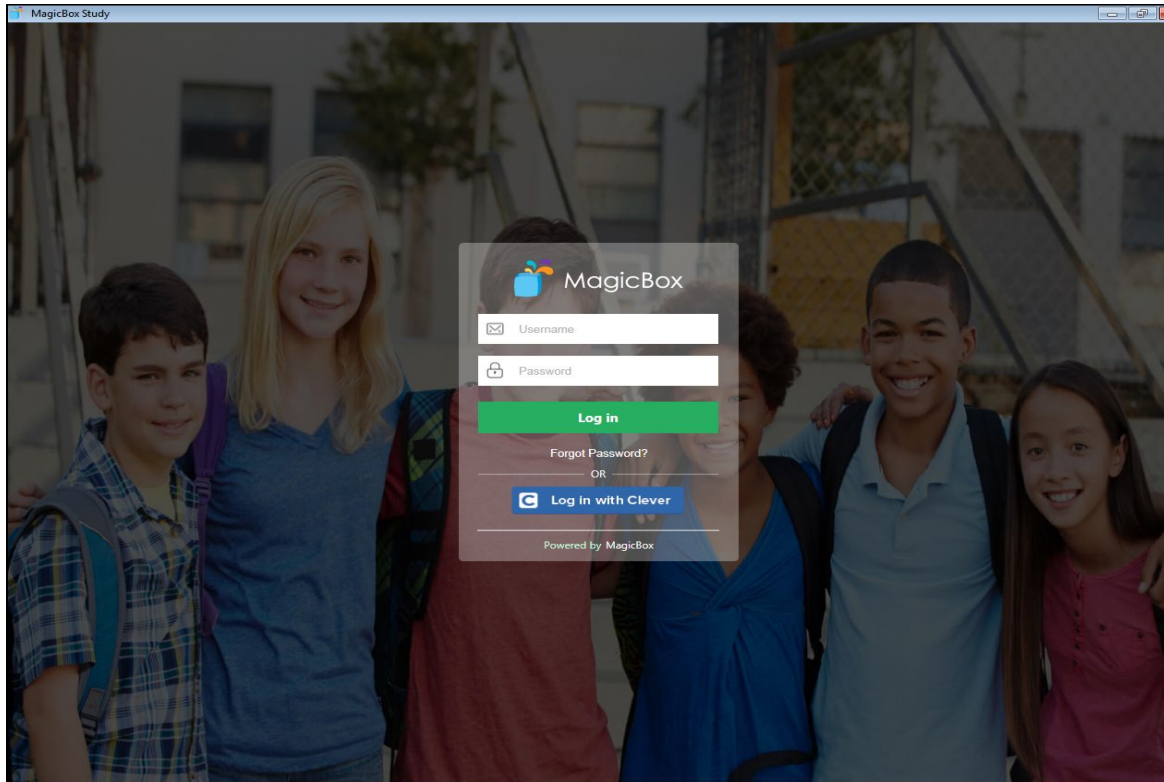

Click on **Next** to start the final installation process.

Step 4: After successful process you will see the below screen.

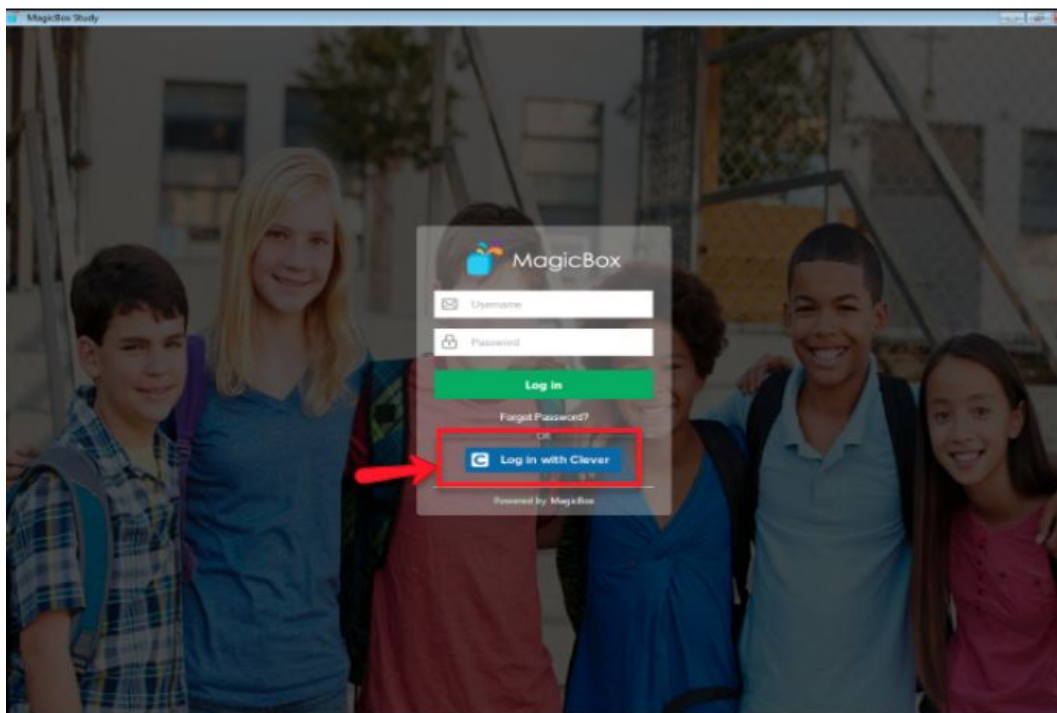

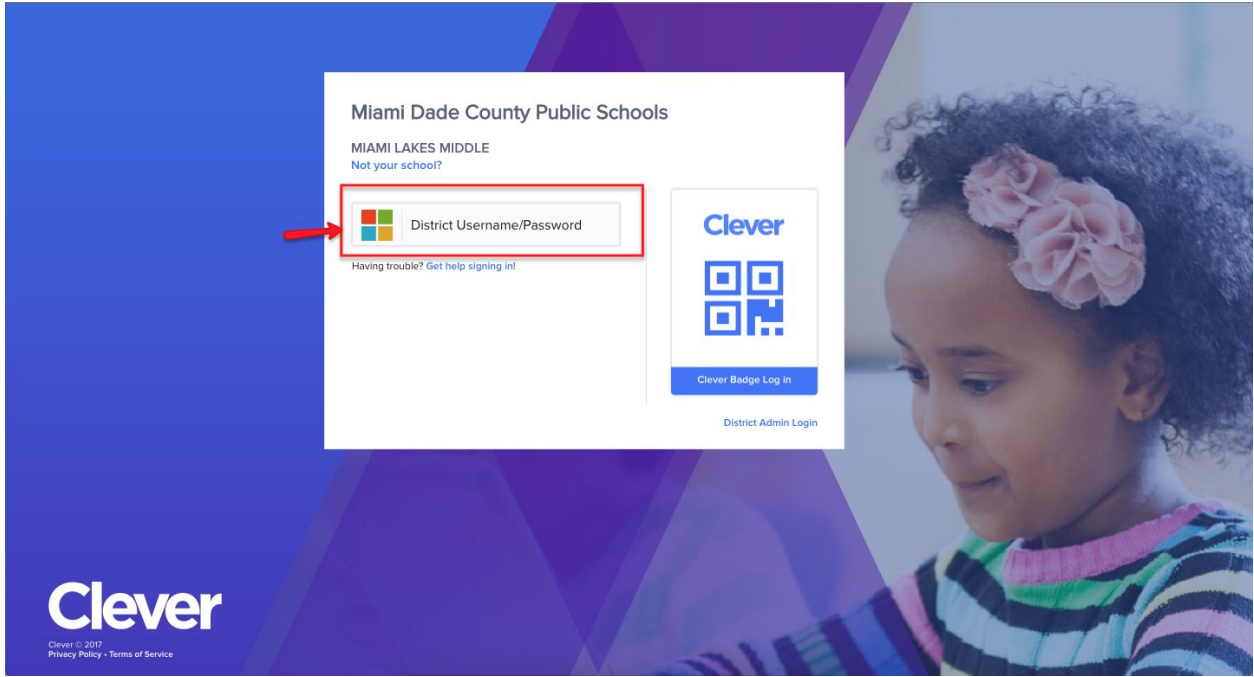

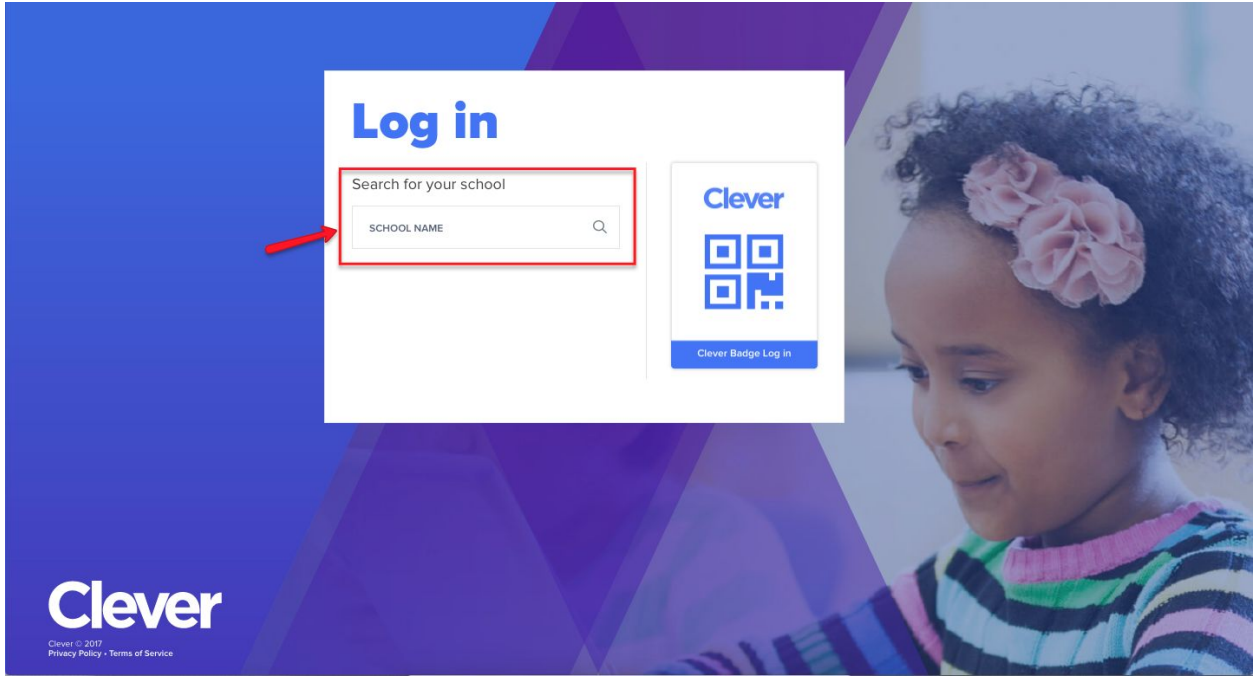

Click on **Close** launch the application.

Step 5: After complete the installation successfully, below screen will be visible.

Step 6: Login with your valid Clever credentials to access the books in offline mode.

Step 7: Land in the MagicBox Study app and Access your books in "Library" section.

- a. The eTextbooks associated with your account will begin to populate within "Library" with "Tap to Download" displayed across the cover. Give the process a few minutes to collect all eTextbooks associated with your account.
- b. When completed, the eTextbooks will show under "Library" with "Tap to download" over the cover. Click "tap to download" on each book and give the system a few minutes to download the eTextbooks directly to the device. You will receive a notification when each download is completed and the eTextbook cover will appear bright/vivid.

Note: During the download process, be sure to:

- i. Stay connected to the internet
- ii. Keep the Study App open
- iii. Keep the device awake and powered on

Step 8: Future access. Just Click on the MagicBox Study application on your desktop!

a. After Steps 1-5 have been completed at the beginning of the school year, the application can be launched without needing to go through them again. Just click on the MagicBox Study application icon on the device, and you will be fully signed in with all your downloaded eTextbooks for offline use.

b. You can sync the app when connected to internet if you need to take any updates.
