

# MAGICBOX STUDY

iPad App | Setup Guide

**(A) Technical Specification For iOS App**  
**(Minimum & Recommended)**

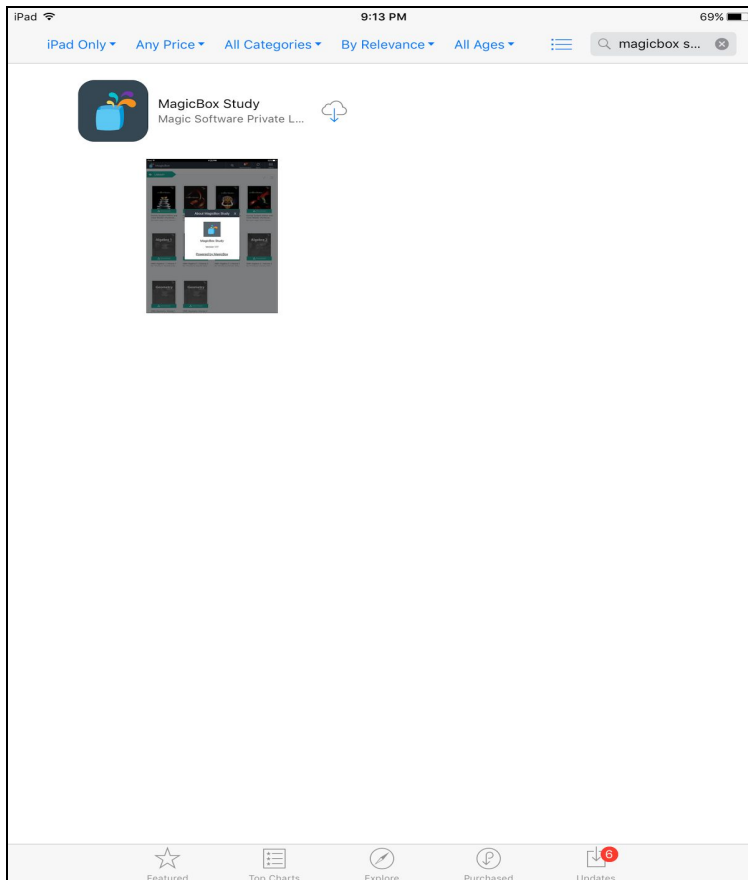

App	Minimum		Recommended	
	Hardware	Operating System	Hardware	Operating System
iPad	iPad 3	iOS 9	iPad 4	iOS 9, 10

**(B) APP INSTALLATION PROCESS**

**Step 1: Download iOS App Installer**

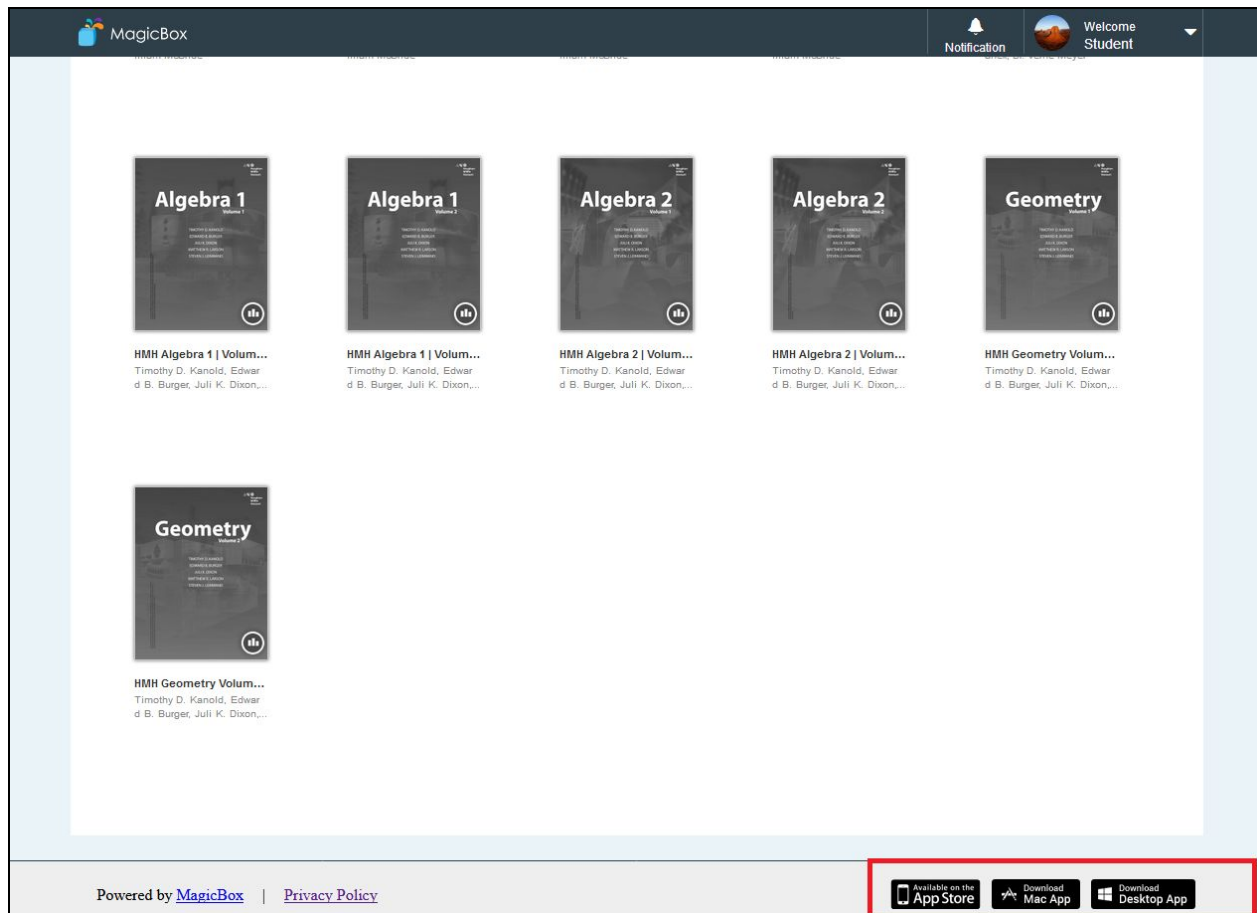

**Option 1: Through iOS App Store**

- Search for '**MagicBox Study**' in iOS App Store.

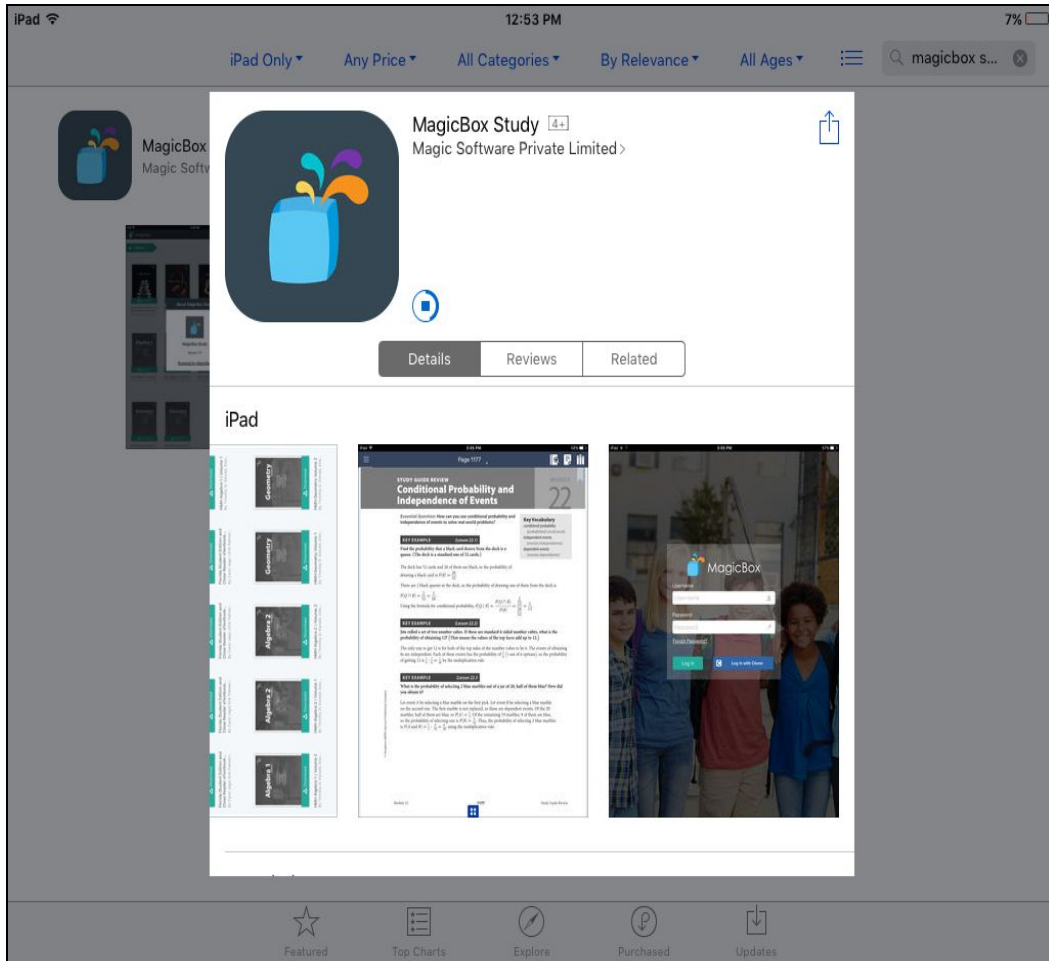

## Option 2: Through MagicBox Study Web Portal

- Go to the MagicBox Study Web Portal: <https://study.getmagicbox.com> and login with your valid Clever credentials.
- After login you will see the below screen with application footer link:

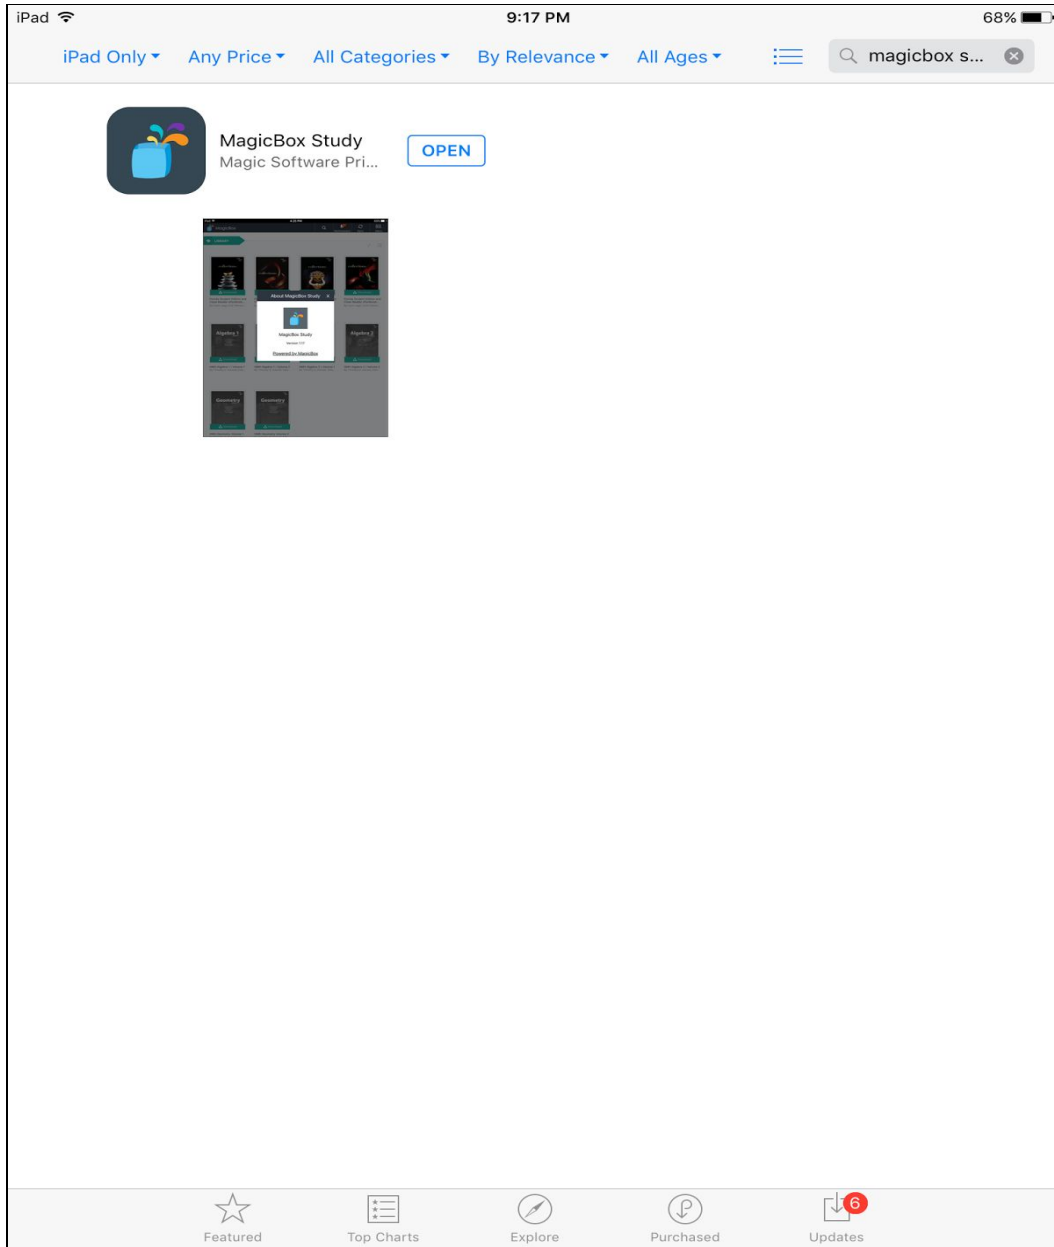

- Click on iOS App Store icon on footer.
- It will redirect you to MagicBox Study app on App store.

**Step 2:** Click on **Cloud** icon will take you to the processing screen.

**Step 3:** After successful installation of app, click on the **open** button to launch the app.

**Step 4:** Once the installation is completed, tap on the open button and you will get access to the MagicBox Study login screen.

**Step 6:** Land in the MagicBox Study app and Access your books in "Library" section.

- a. The eTextbooks associated with your account will begin to populate within "Library" with "Tap to Download" displayed across the cover. Give the process a few minutes to collect all eTextbooks associated with your account.
- b. When completed, the eTextbooks will show under "Library" with "Tap to download" over the cover. Click "tap to download" on each book and give the system a few minutes to download the eTextbooks directly to the device. You will receive a notification when each download is completed and the eTextbook cover will appear bright/vivid.

Note: During the download process, be sure to:

- i. Stay connected to the internet
- ii. Keep the Study App open
- iii. Keep the device awake and powered on

**Step 7:** Future access. Just Click on the MagicBox Study application on your iPad

a. After Steps 1-4 have been completed at the beginning of the school year, the application can be launched without needing to go through them again. Just click on the MagicBox Study application icon on the device, and you will be fully signed in with all your downloaded eTextbooks for offline use.

b. You can sync the app when connected to internet if you need to take any updates.
