

Miami-Dade County Public Schools 2017-2018 Mobile Devices Technology Recovery Fees

Students are expected to return the computer in the same condition in which it was issued. While normal wear and tear will be taken into consideration, students who have mistreated the equipment will be responsible for repair or replacement costs. Students will be issued financial obligations for any item that requires repair or replacement. The Technology Recovery Fee table below contains the repair costs for the different mobile devices and accessories used in Miami-Dade County Public Schools as part of the Digital Convergence Initiative.
