The purpose of this briefing is to provide administrators and teachers with information about the Digital Convergence Facilitators (DCFs) and Digital Convergence PD opportunities to support the Digital Convergence initiative.

As part of the Digital Convergence initiative, the Instructional Technology Department will continue to provide school-site support and PD to facilitate technology integration in the classroom.

- The PD offerings provided by the DCFs include *Web Tools for Teaching and Learning*, *OneDrive*, *Class/Staff Notebook*, etc. Please see attached *Digital Convergence Professional Development Offerings and Descriptions*.
- DCFs also conduct school-site visits to provide job-embedded instructional support (i.e., lesson planning, classroom demonstrations, etc.).
- School-site PD may be provided upon request by contacting the DCF assigned to your school site. Please see attached *2016 - 2017 Digital Convergence Facilitators (DCFs) School Assignments*.

If you have any questions or require additional information regarding the contents of this briefing, please contact Olema Herrera, District Supervisor, Instructional Technology, at olemaherrera@dadeschools.net or 305.995.3061.
